FUELS OIL/ DIESEL OIL/ GASOILINE

HONGMINHPETRO offers a wide range of quality fuels oil/ diesel oil and gasoline at competitive prices. Be it residual fuel or distillate fuel, our business is to deliver your order promptly – at anytime and anywhere. Crucial to achieving this is our not only domestic of Vietnam but also worldwide reach supported by an extensive network and excellent relations with our supply bases

Customers have found it easy to work with us because we take the time to understand their requirements before proceeding to execute their requests. We also understand your appreciation of quality and thus set exacting standards for our suppliers and agents. This, together with our comprehensive knowledge of the market conditions and 24-hour operations, enables us to provide you with top quality fuel at the best price possible, delivered in a timely manner.

LUBRICANTS

We work only with the best suppliers, in terms of supply strength, product quality and reputation, to keep you moving forward. Our lubricants span a range of brands and grades so there need not only be any compromise on the performance of your vessels' engines but also industrial machines.

Along with this, our efficient delivery mechanisms allow for flexibility in order quantity – whether in bulk, drums, pails, cans or cartridges, so just let us know how much you need.
